

## HISTORY MYSTERY

*There are some historical mysteries that may never be solved. Sometimes, that's because the relevant excavated material has been lost or an.*

Ancient sources indicate that the ark was either carried back to Babylon or hidden before the city was captured. It's also possible that the ark was destroyed during the city's sacking. Ruby died of lung cancer on Jan. Brand proved that chloroform poured into brandy would hang suspended within it, meaning that the poison could be swallowed whole without leaving a trace. Police and forensic anthropologists have searched a number of sites in Detroit and Oakland County to no avail. When a high-profile director was murdered, it added to that image, and revealed that Taylor, like so many in Hollywood, had lots of secrets. In any event, the ark's location is unknown. Sappho Mar 13, Sappho is described as the greatest female poet of ancient Greece. In , Zahi Hawass, Egypt's former antiquities minister, conducted excavations at a site near Alexandria now called Taposiris Magna, which contains a number of tombs dating to the era when Cleopatra VII ruled Egypt. While no serious scholar believes that this story is literally true, some have speculated that the legend could have been inspired, in part, by real events that happened in Greek history. The location of the tomb remains a mystery. Thankfully, Norwich has a long history of thriving industries – can you find a way to use them to survive the past and make it back to the present? He never finished, and his ultimate fate remains uncertain, though there are pretty solid clues indicating how he met his end. Although Crete is in the Mediterranean, and not the Atlantic, Minoan settlements suffered considerable damage during the eruption of Thera, a volcano in Greece. Additionally, archaeologists found that the Minoans were eventually overcome or forced to join with a group of people called the Mycenaeans, who were based on mainland Greece. Remarkably, the jury was forced to find her innocent when no convincing explanation could be put forward as to how the poison was administered. While this portrayal is fairly accurate, the collision between the ship and the iceberg was not as unavoidable as it seems. Expeditions carried out since have found other evidence suggesting the presence of an American woman alive in the s. The lack of answers only makes these enigmas more intriguing. What was Jesus really like? More recently, scientists discovered a first-century house that, centuries after Jesus' time, was venerated as being the house that Jesus grew up in, but whether it was actually Jesus' house is unknown. Ruby's stated motivation was to spare Jacqueline Kennedy "the discomfiture of [Oswald] coming back to trial. He believed the creature was linked in some mysterious way with the collapse of the Silver Bridge in Point Pleasant in December that killed 46 people, including some mothman witnesses. William Kidd In a copper scroll was found by archaeologists in a cave, along with other Dead Sea Scrolls , at the site of Qumran. In , Endeavour Press supported the award, which is called the Endeavour Historical Dagger for the and awards. It's unlikely that this debate will ever be fully settled.
